Title: **GENOMIC POLYMORPHISM FOR PREDICTING THERAPEUTIC RESPONSE**

**PETITION UNDER 37 C.F.R. 1.137 TO REVIVE
AN UNINTENTIONALLY ABANDONED APPLICATION**

Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

This is a petition under 37 C.F.R. 1.137(b) to revive the above-referenced patent application. An Office communication was mailed on August 8, 2001 requesting a response by November 11, 2001, and applicant failed to file a response thereto.

The required petition to revive fee of \$620 accompanies this petition, as set forth in §1.27(3) for a small entity.

The entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 C.F.R. 1.137(b), i.e., this petition, was unintentional.

Favorable action on this petition is respectfully requested.

[x] The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any overpayment to Deposit Account No. 50-1192, Docket No. 13761-0739. *A duplicate copy of this sheet is enclosed.*
